

Precision weigh-in scales go wherever they are needed...

PORTABLE CLASSIC SCALE

Model **PS-6600 ST** . \$549*

The best just keeps getting better! New "Super Tuff" ST platform features one-piece cast aluminum construction that is lighter, stronger and more durable with safe rounded corners and a recessed, non-skid rubber mat. New "Plug & Weigh" cable system connects the platform to the console with a standard USB cable. Should the cable ever be damaged, replacement takes only minutes and can be easily done by the scale user.

TOP-SELLING SPORTS SCALE!

"Super Tuff" Platform

Powerful NiMH (nickel metal hydride) batteries are environmentally-friendly and provide a long life with more weighings per charge.

- Pin point accuracy of ± 0.1 lb.
- **NEW!** Push button calibration — no tools needed
- Extended life rechargeable battery or AC
- Quick insert/detach connections
- Now with Auto-Zero — scale automatically returns to zero after each weighing
