Multi-Sport Timer

Model SS-2000 ... **\$739***

Great for indoor sporting events such as: wrestling, volleyball, hockey, basketball, and other timed sports

Highly popular indoor multi-sport scoring system. Versatile and easy to use. Great coaching tool too! Built-in practice mode allows coaches to run practices, circuit training, conditioning drills, and repetitive coaching exercises.

- Scoring (0 to 99 points) and practice modes
- Precision countdown with 1/10th second timing under 1 minute
- Fully programmable practice interval timer and rest interim
- Elapsed Time mode with time set to count up
- Programmable Period Timer sets default time in each period
- Circuit Timing and Counting feature counts each interval
- Horn sounds as period/interval expires; on/off setting

Wrestling Advantage Timer

Model SS-2100 ... **\$739***

With Advantage, Net Advantage Time, Blood Time, and Injury Time

- Amber timer displays net advantage time and bullet-style indicators show wrestler with net advantage
- Green/Red "Ad" indicates wrestler with current advantage
- Green/Red "In" indicates injury time-out with total injury time
- Green/Red "bl" indicates blood time-out with total blood time
- Programmable maximum injury and blood times
- Ability to set/change values during match and master reset gets timer ready for next match quickly

* Note: The SS-2100 does not do scoring.
