

WHAT:

The HYWA organization would like to start a summer duals program in order to create more mat time for our wrestlers in Indiana during the summer months.

How:

Schools hosting duals would be Peru, Huntington North, and NorthWood. It is our hope schools to the south, west, and east could also provide host sites. We are hoping for 4-6 schools per site, which would provide teams with at least 3 matches every night. After every dual or every other dual, teams will be sent to different host sites to see different competition through out the summer. The plan is to hold 4 different events throughout the summer months.

Junior High Division: 85-95-100-110-120-130-140-160-180-HWT

5th grade-8th grade of the past season

High School Division 115-125-135-145-155-165-180-200-HWT

Freshman- Juniors of the past season

The weight classes will be monitored and recorded by the coach of each team. When matches are paired we will be looking at pairing kids as close to weight and age as we can. Schools can have more than one team. Teams may borrow back ups from other teams to fill weight classes. Junior High Divisions will wrestle 1 minute periods. High School division will wrestle 1 minute 30 second periods. One over time will be wrestled in a sudden death format. Tied matches will earn 3 pts for each team. The score must be kept by each coach or a designated scorer for each team. We are not looking at making this a super competitive event, scores will be kept, but getting kids mat time will be our main goal.

Every wrestler **MUST** fill out a waiver forms. Forms **MUST** be turned into the host school!

WHEN:

Dates: June 17th - June 24th - June 29th - July 15th

Dates may vary from site to site, but we intend on keeping events close.

Time: 5:00-7:30 pm

Open Mat: NorthWood and Hunting North will host an open mat session from 6:30-8:00 pm on Mondays available to any junior high and high school wrestler. It will be held at NorthWood High School or Huntington North High School in the wrestling room every Monday before each of the dual events. Monday open mats will alternate between schools. See final schedule.
